

BCPs are members of many of the churches across Bath. And so it is from these churches that we are most likely to recruit more BCPs to join our number.

Do consider making BCPs known to your church by manning a stand in your church - as these BCPs, all members of Holy Trinity Combe Down, did at their Mission Marketplace, a central part of the church's annual mission weekend which focussed in their UK and international mission outreach."
